

## Knowle DGE Year 11 Results 2020

Year 11 pupils achieved extremely well in 2020 and we saw significant increases to both levels of progress and qualifications achieved compared to previous years.

All pupils are baselined on entry and we use these baselines and KS2 results, where available, to measure progress.

Of particular note in 2020 was the increase in GCSEs gained with 55% of our pupils gaining at least 1 GCSE which has increased from 20% in 2019. This increase in GCSEs was across a number of subjects: English, maths, science and art.

Next step: whilst 95% of students gained at least 1 qualification, we aim to increase the average number of unique qualifications from the current 4.1 to the Academy target of 6. We will do that through ensuring that tracking of progress is robust and results in appropriate action, by ensuring that all pupils are entered for appropriate qualifications in each of their option and core subjects.

### Headlines

<b>Cohort</b>	22
<b>Gained an English qualification</b>	20 (91%)
<b>Gained a maths qualification</b>	21 (95%)
<b>Gained a science qualification</b>	21 (95%)
<b>Gained at least 1 GCSE</b>	55%
