Term 4 M36

Changes

We had a change this term with M3 and M6 joining together. We are able to provide flexible 1:1 support and a varied timetable to meet the social, emotional and learning needs of the young people.

Outdoor Education

M36 enjoyed the day at the Treetop Adventure Centre at Ashton Court and all overcame their fear of heights. They have accessed BMXing on a weekly basis and some are now engaging in gymnastics. Next term we hope to be going to the gym, kayaking and other water sports. Details will be available at the start of the term.

Attendance

Well done to all who had 100% attendance

English

This term we have been reading poems from around the world. We've discussed how language is used in Poetry and analysed its meaning and the link between poems and music. We hope to create our own poems

Maths

M36 have been working on Decimals and engaging with Maths interventions.

Reminders

Last day of Term 4 : 28th March
Back in school: 15th April

Staff: Jack, Maxine and Vicky

All equal, all different, all achieving together
