English exams

Well done to those students who
completed their English and
speaking and listening assessments.
Miss Begley and Mr Lee-Wells were
very impressed with their work.

Pi Day

On the 14 March we celebrated the
number π (or pi) by investigating the area
of circles. We learned that by rearranging
the sectors of a circle into a rectangular
shape allowed us to multiply base and
height to find the area. $\pi r \times r = \pi r^2$

Bursary

If students in Sixth Form can provide
evidence that they receive PIP (Personal
Independence Payment), the school can
apply for a bursary towards educational
equipment for them to keep. In the past
students have spent bursary money on
PCs, laptops and bikes to help them
attend school among other things.
Speak to Mr Carroll for more details.

Happy Easter and Eid al-Fitr from everyone at Knowle DGE!
