

Welcome back to Term 5. I hope you had a lovely Easter break.

Dates this term:

- Exams will shortly be taking place for Years 11-13. Students will receive an individual letter advising of the days that they have exams or study leave. If there is not exams or study leave, lessons will be running as normal. Exams only capture a small part of everything the pupils have achieved during their time with us but we are sure they will do their best and they should be proud of their efforts so far.
- 22nd-26th April is Careers week at Knowle DGE. We have some exciting events planned over the week including 'Little City' for Lower School Pupils and a Careers Day for Upper School students.
- Friday 24th May End of Term
- Monday 3rd June Start of Term 6

Celebrations

Many Year 11s have had college and 6th form offers in for September, well done!

We had a whole school Poetry competition on World Poetry Day which was also International Day for the elimination of racism and Neurodiversity Celebration Week. Pupils could choose either topic for their poems. The winners were

Upper School-Riley-Jay

Middle School Colby-Jay and Antoni

Lower School Lynx Class

Warm wishes,

A handwritten signature in black ink, appearing to read 'K Lee-Wells'.

Kate Lee-Wells, Head Teacher

Who we are

We are people that are different from the rest,
But we try our best
With all the Year 11 tests,
The little ones just coming out of their nests

We are all people and our emotions change,
A lot faster than the average brain,
Other people call us names
But we are all just the same

We are people who like to laugh
But push each other to do our English and our Math

With nice teachers and staff
They help us to choose our path

By Riley-Jay, Year 11

Lower School Term 5

Safety

This term Lower School will be working really hard to build friendships and stay safe in class. We will remind everybody how to stay safe online. Lower School is a safe and happy place to learn.

Reading

This term our reading in Class will be, 'George's Marvellous Medicine' by Roald Dahl.

Reading is the cornerstone of learning and we encourage our students to read at home. It would be great if you could share reading at home. It can be any type of reading Stories or non-fiction. Try reading packaging or magazines it is all good practice

Attendance

Attendance is vital for our learning and Lower School attendance is going up. We all work really hard to improve attendance working with parents to improve pupils attendance. Well done

Salman

Jan

Cameron

Ruby

For improving their attendance in your class.

ClassDojo

Learning

The Theme for this term is the Medicine

Reminders

Term starts Monday 15th of April
End of Term 24 May

All equal, all different, all achieving together
