

# 16.3 NEWSLETTER

OCTOBER 2024

## WHAT WE ARE LEARNING

Students have settled well into Year 13, engaging positively in lessons. **Well done and keep it up!**

In **English**, students are working towards sitting their GCSE English Language in May next year, learning how to get a solid Grade 4 using language techniques. In **Maths**, most of the students are working towards their GCSE, working on transformation and geometric reasoning. Students have also begun to think about **work experience** and **plans for after 6th form**. Speak to Jo from New Mango for college/apprentice options and Rob from 16 for work experience options!
