

Term 1 Newsletter – Panther Class

Maths

In maths, Panther Class have been learning about place value and addition and subtraction. We have also been working on improving our mental maths skills by doing daily maths interventions.

English

In English, Panther Class have been reading 'Escape from Pompeii'. We have been retelling the story and describing the setting.

WOW

In WOW, Panther Class have been learning about the different zones of regulation. We have also been looking at the different food groups as well as studying the religion Christianity.

Extra Curriculum

Panther Class have been going to a BMX pump track to improve our cycling skills. We have also been practising our rugby skills with support from Bristol Bears.

Dates for the diary and notices
