

Term Newsletter – Lynx Class

Maths In maths, Lynx Class have been studying shape, fractions, multiplication, division and place value. All the children have made progress with their PLIMs, with some children making fantastic progress with their times tables and others with their addition and subtraction of fractions.

English In English, Lynx Class have been making predictions and writing persuasive letters, stories and poems. We have been thinking about adding emotive language and literary techniques like similes and metaphors. The children have also been reading everyday!

WOW In WOW, Lynx Class have learned about a variety of topics. They have understood different complex emotions, how to recognise them and develop strategies to manage them. They have learned about good listening skills. We have explored acceptance, not to prejudge people based on appearance and how to be a good friend. Lastly we have looked at celebrations around Christmas time, such as the Nativity and Hanukkah

Extra Curriculum Lynx Class have been going cycling every Thursday, improving their confidence on different road surfaces. Extra congratulations go to Luke, Gino and Archie for learning how to ride 2-wheeled bike this term!

Dates for the diary

Last day of Term 2 for children - 20th December

Start of Term 3 for children - 7th January

Last day of Term 3 - 14th February

Other information

This term, our new LF Lilymay has joined Lynx class. She has already made an excellent impact on student learning.

We have also welcomed Callum into Lynx class, who has made a proactive start, especially in Maths and English
