

Term 3 Newsletter – Leopard Class

Maths In maths, Leopard Class have been learning all about money. They have been learning the coins and the notes and putting this knowledge into action with word problems and problem solving. They have also been working on their PLIMs with all the children making great progress with timetables, number formation or number bonds to 20. I am very proud of their hard work in maths!

English In English, Leopard Class have been reading *Oliver Twist*. We have been practicing our reading comprehension skills whilst also developing our writing of non-chronological reports and diary entries.

WOW In WOW, Leopard Class have been learning about how to keep our minds healthy. We have been learning the importance of looking after our brains as well as our bodies. We have also been focus on speech and language skills and working on our turn taking in conversations and sharing our thoughts with the class.

Extra Curricular Leopard Class have been a very successful trip to Pizza Express where they all followed detailed instructions to make delicious maragita pizzas!

Dates for the diary

First day of Term 4 - 25th February

Last day of Term 4 - 4th April

Other information

Next term, Leopard Class will be going cycling every Thursday afternoon. If you have any questions about this please message on DOJO.
