

# Term 4 Newsletter – Leopard Class

**Maths** In maths, Leopard Class have been learning about multiplication and division. The children have been working on different timestables, with all children now knowing their 10 timestables and some knowing the 3s, 4s, 5s and 11s. The children have also been working on the maths PLIMs and have made great progress.

**English** In English, Leopard Class have been reading *Leon and The Place Between*. They wrote lovely descriptions during this work. They are also learning to follow and write instructions.

**WOW** In WOW, Leopard Class have learned about how our bodies change as we grow and develop. We have also learnt about Ramadan and self esteem. We have been working on being positive about ourselves and others.

**Extra Curriculum** Leopard Class have been going to the cycling centre every Thursday and have shown great resilience and enthusiasm for this! We were also very lucky to have 10 baby chicks hatch in our classroom. We were really lucky to watch this happening and be able to hold the chicks!

## Dates for the diary

Last day of Term 4 - 4<sup>th</sup> April

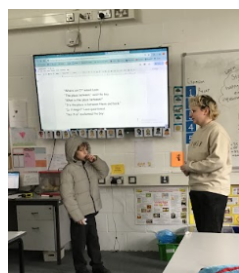

Start of Term 5 - 22<sup>nd</sup> April

Bank holiday (school shut) - 5<sup>th</sup> May

Last day of Term 5 - 23<sup>rd</sup> May

## Other information

Our student teacher George has now returned to university - we were very grateful for their help over the last few terms!

**Happy Easter! Well done this term Leopard Class!**
