Tiger class

Our Learning

Maths- This term we have learnt about Position and Direction, focusing on language such as left and right and above and below. We have also learnt about Fractions, focusing on half and quarter of objects and quantities.

English- During Term 4 we have read books about Pirates! We read the story Pirates Love Underpants and we described the pirates using lots of fantastic adjectives.

WOW- In our WOW lessons we have learnt about our bodies and the differences between male and female bodies. We have also learnt about how to be resilient and things we can do to help us when we are finding things hard.

Extra Curriculum- Alongside visiting the school library and the school gym every week we have been swimming every Friday. We have loved swimming and we have enjoyed playing with the noodles, the floats and the sinkies.
