

Celebrations

On to Term 2 now, the festive term, where we're extremely confident our students will continue their amazing start to this academic year. Middle School have worked really hard to earn Dojo Points for being safe, respectful and ready to learn. We will continue to celebrate success through our weekly Assemblies to recognise and promote all the fantastic work and behaviour on display. If you aren't already, please do join our Dojo Team to avoid missing out! We had a fantastic themes day and the students enjoyed our Halloween activities and fun. Well done to all for a fantastic first term!

Learning

In term 2 the students will be learning about the Black Death - Reading, writing and presenting learning on the horrid history of the Plague.

In our DT lessons this term, students will be learning about the function of differing cogs, and producing their own mechanism.

Pastoral

Please ensure that we continue to hand phones in at the beginning of the day. This helps us make a prompt start with learning and to ensure safety and good order.

Also, please do encourage your child to wear their uniform - they are rewarded for doing so.

Reminders

- There have been some minor changes to our outdoor education timetable this term. Your child's staff team will be in contact about these trip changes. Please keep an eye on Dojo messenger, and/or feel free to gain contact with your child's tutor, should you have any questions.
- We will be celebrating and raising money for Children in Need this coming term - please do support our students with their money raising projects - all funds raised go to supporting a positive cause!
