

## Celebrations

A warm welcome back to everyone in Lower School!

It's been lovely to see all our pupils returning—and to welcome some new faces, too. Everyone has made a great start, showing they can be safe, respectful, and ready to learn in class.

Uniform has also been fantastic—thank you!

Please continue to make sure pupils attend each day wearing a Knowle DGE top or jumper, dark-coloured trousers, and black shoes.

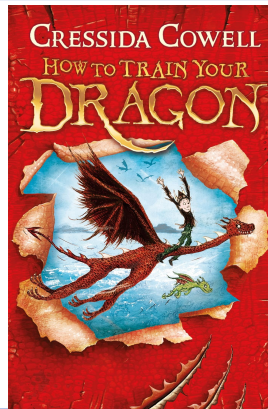

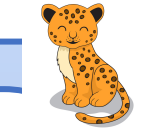

## Our Learning...

Our Topic this term is the Vikings! In Humanities we will be looking at Viking settlements, everyday life and battles. In English, we will be looking at character development, humour and storytelling technique. We will also be looking at non-chronological reports, with a particular emphasis on organizing factual information clearly and effectively.

## Pastoral

We will be using ClassDojo to record positive points throughout the year. All communication will now take place through Arbor. If you need any support with this, please contact your teacher or Learning Facilitator.

## Reminders

- Jaguar are swimming on a Monday so please remember swimming kit
- Lion are swimming on Friday so please remember swimming kit
- As the weather gets colder, please remember coats, hats, gloves and scarves
