

## Celebrations

We have cause to celebrate a fantastic start to the academic year for our students in middle school. For those who have now moved on up into year 9 classes', and to those who have joined us from lower school. Well done to all students for such a positive and enjoyable start. We look forward to sharing many, many more successes throughout the year.

## Learning

In Middle School this term we are focusing on Myths and Legends. The students will have lots of fantastic learning opportunities and experiences to expand their knowledge on this topic. Our themes day in Middle School will be Thursday 23<sup>th</sup> October

## Pastoral

Keep track of your child's lesson-by-lesson progress and overall success via Class Dojo. If you aren't linked in already, please do not hesitate to get in touch for support with gaining access and to join the team!
